See email: “Hi Everyone:

Sorry this is so late...that will not be a habit. Attached is the FY20 OCC Grant Application for voting purposes, as well as the Minutes from our electronic meeting held in March, and the agenda for our electronic meeting in April. Because I should have had this out a week ago, I think it’s only fair to give you all that long to review it and then we can vote on it. Please have your votes to me by next Friday regarding the approval of the Grant Application as well as the approval of the minutes from our last electronic meeting. Because we are not holding this meeting face-to-face, I included updates for all programs and problem-solving courts on the agenda.

Please let me know if you have any questions.

Thanks to everybody in advance.
