

ACCOUNT OF FIDUCIARY (MINOR)

The Account of Fiduciary is due each year on the anniversary date of your appointment as conservator. There is a 56 day grace period after your anniversary date before the account is considered late.

The forms we will be using are:

- ACCOUNT OF FIDUCIARY, LONG FORM ([PC584](#))

- PETITION TO ALLOW ACCOUNT(S) ([PC585a](#))

- PROOF OF RESTRICTED ACCOUNT ([PC669](#))

Eaton County requires a bank/financial statement for each financial account. The bank/financial statement must cover the end of the account period and must reflect the same balance as your accounting.

Eaton County also requires the Proof of Restricted Account form be signed by a representative of the financial institution. The balance on the Proof of Restricted Account should be the balance as of the end of the account period or after, but not before.

Make sure to record the total of all income at the bottom of the column.

Schedule B:

List all money that was **paid out** of the estate during the accounting period. Specifically list each expenditure.

Typically any expenditures on a minor conservatorship must be approved by the court.

SUMMARY: (on page 1)

SUMMARY	
Balance on hand from last account, or value of inventory if first account	\$
Add income in this accounting period (Total from Schedule A.)	\$
Total assets accounted for	\$
Subtract disbursements in this accounting period (Total from Schedule B.)	\$
Total balance of assets remaining (Itemized and described in Schedule D)	\$

Line 1: Balance on hand from last account: Go to your copy of the last account (if this is your first account, then go to your copy of the inventory). Find what was recorded for the total balance of assets remaining (if you go to the inventory, find the total assets on the inventory). Write this number down for balance on hand from last account. This represents what was in the estate at the beginning of the accounting period.

Line 2: Add income in this accounting period: Write the grand total in **Schedule A**. This represents the amount of money that **came into** the estate during the accounting period.

Line 3: Total assets account for: Add Line 1 (*balance on hand from last account*) and Line 2 (*income in this accounting period*) and write the total of these two numbers on line 3.

Line 4: Subtract disbursements in this account period: Write grand total in **Schedule B**. This represents the amount of money that **went out** of the estate during the accounting period.

Line 5: Total balance of assets remaining: Now subtract Line 4 (*disbursements in this accounting period*) from Line 3 (*total assets accounted for*). This represents the amount of assets in the estate at the end of the accounting period. ***(The total on this line must equal the BALANCE OF ASSETS REMAINING IN SCHEDULE D on the second page.)***

Schedule D: Itemized assets remaining at end of accounting period

List all of the assets in the estate at the end of the accounting period.

SCHEDULE D: Itemized assets remaining at end of accounting period If additional sheets are required, indicate on Schedule "See attached sheets."	
BALANCE OF ASSETS REMAINING (Show this amount on Summary)	
<p>NOTE: In guardianships and conservatorships, except as provided by MCR 5.409(C)(4), you must present to the court copies of corresponding financial institution statements or you must file with the court a verification of funds on deposit, either of which must reflect the value of all liquid assets held by a financial institution dated within 30 days after the end of the accounting period.</p>	

The court will compare the assets listed here with the assets on the inventory or previous account to ensure all assets are accounted for.

For financial accounts that are on deposit with a bank or an investment firm, you must attach a copy of the account statement from that financial institution. The account statement must cover the end of the accounting period and must reflect the same balance as your accounting.

BALANCE OF ASSETS REMAINING: You must total the value of the assets in the estate. Since this is a total of the assets on hand at the end of the accounting period, *this total must equal the total balance of assets remaining in the Summary on page 1 of the Account of Fiduciary.*

Schedule D (example)

SCHEDULE D: Itemized assets remaining at end of accounting period If additional sheets are required, indicate on Schedule "See attached sheets."
