Commissioner Lautzenheiser moved to approve the minutes of the December 15, 2017, Ways and Means Committee meeting. Commissioner Austin seconded. Motion carried.

Roger McNutt, Eaton Rapids Fire Chief, spoke regarding the Emergency Management Coordinator position. Mr. McNutt indicated there was a meeting of Fire Chiefs yesterday, including 13 fire chiefs in attendance, in which, all agreed the position should not be filled until an in depth study of the position and its requirements. The position should require a professional licensed Emergency Manager and should be moved under the supervision of the 911 Director given that is the funding source for the position.

An update of the position vacancies was presented (attached). There are six vacancies – Sheriff Financial Services Clerk (General Fund), 2 Sheriff Deputies (General Fund), Jail Nurse (General Fund), Emergency Services Sergeant (911 Millage) and Friend of the Court Investigator/Conciliator (Partially Grant Funded).

Commissioner Austin moved to refill the positions listed and review the Emergency Management Coordinator position. Commissioner Lautzenheiser seconded. Mr. Fuentes clarified the motion did not include the Financial Services Clerk which is currently under review. Commissioner Austin stated that was correct. Commissioner Freeman expressed concern regarding the position not being filled with police personnel due to the role of the position. Motion carried. Commissioner Freeman opposed. Mr. Fuentes will discuss the Financial Services Clerk vacancy with the Sheriff and will review the Emergency Management Coordinator position.

The November Health Insurance expenditure report from last month was presented (attached). The report indicates a favorable variance of \$703,174 compared to the budget projection for both the County and Health Department. The County's portion of the report of the favorable variance is \$592,376.

The 2017/2018 Public Improvement fund project report was provided for the Committee's review. The current expenditures are \$8,074.62.

Tim,

Enclosed is the list of Contract Surveyors for the 2018 Grant Year for whom we need to have contracts prepared.

I have listed the contractors with surveyor name followed by amount of contract for each company.

In addition to the contract amounts listed for monumentation and research services, each contractor will be paid up to \$800.00 for participation in four scheduled peer review meetings at the rate of \$200.00 per meeting.

A resolution will be required to appoint members of the peer review committee. I have enclosed a list of proposed members with alternates shown for two companies.

I am also forwarding a copy of each executed fee schedule agreement that has been returned from the listed companies.

I have also included proposed dates for peer review meetings in 2018. I am not sure if these dates are acceptable for use of the Equalization office board room so I will confirm the dates with your office before notifying contractors.

If you have any questions, please contact me at your convenience.

Sincerely yours,

Ronnie M. Lester, PS
