

NOTICE

PLEASE TAKE NOTICE that the Eaton County Board of Commissioners ("Board") will hold a public hearing on a Final Amendment to the Eaton County 9-1-1 Service Plan ("Amended Plan") on July 20, 2016 at 7:00 p.m. at the Eaton County Building in Charlotte, Michigan. Among other provisions, the Plan identifies Eaton County Emergency Communications as the primary public safety answering point for all 911 calls within the boundaries of Eaton County. If adopted, the Service Plan authorizes a Communications Ordinance that would help assist in the transition to Next Gen 911.
