## Wolverine Productions LLC

Eaton County Board of Commissioners  
C/O Eaton County Parks Commission  
1045 Independence Blvd.  
Charlotte, MI 48837

April 11, 2010

Dear Board of Commissioners,

On behalf of our entire cast and crew, I would like to take this opportunity to express our gratitude for your assistance throughout the course of preparing for and filming "*Red Dawn*" in Eaton County. The cooperation we received during the difficult process of filming a major action film in a County Park was integral in making "*Red Dawn*" a successful and efficient shoot.

The hospitality, and on the ground support that we received while filming in Eaton County was unparalleled. I have been a location manager in the motion picture industry for 13 years, and have worked throughout the world. The experience of working in Eaton County ranks as one of the most supportive and cooperative locations I have ever been involved with.

It was a pleasure working in Eaton County and I hope to have the opportunity to work with you all again in the future.

*Red Dawn* is scheduled to hit the theaters in November 2010– we hope to see you at the movies!

Sincerely,

James McAllister  
Key Location Manager  
"Red Dawn"
