

**INFORMATION TECHNOLOGY AND COMMUNICATION  
COMMITTEE MEETING**

**THURSDAY, JULY 11, 2013  
5:30 P.M.  
MINUTES**

---

**MEMBERS PRESENT:** Commissioners Osieczonek, Hosey, Harris, Barr and Spence.

**ALSO PRESENT:** Blake Mulder and John Fuentes.

The July 11, 2013 regular meeting of the Information Technology and Communication Committee was called to order at 5:30 p.m. by Chairman Osieczonek.

Commissioner Hosey moved to approve the minutes of the May 2, 2013 meeting, as presented. Commissioner Harris seconded. Motion carried.

An update was provided on technology initiatives currently under discussion, including the jail security system update and the possible need for improvements to the courtroom video recording system. Discussion held. There was also discussion regarding the sale of county digital assets to third parties.

It was reported that the County Video Tour provided through the NACo program was now active on the County homepage.

Chairman Osieczonek discussed an article regarding Oakland County and their use of cloud computing. He also discussed his belief that cloud computing is an area that the county will need to consider transitioning to in the future.

The consensus of the Committee was to change the location of the meeting to the Sheriff's Training Room at the Sheriff's Office since it immediately follows the Public Safety Committee meeting. The Controller will verify room availability and post any necessary notifications, if the Training Room is available.

Chairman Osieczonek adjourned the meeting at 6:20 p.m.

The next regularly scheduled meeting of the Information Technology and Communication Committee will be held Thursday, August 1, 2013 at 5:30 p.m. in the Sheriff's Training Room.
