

## **History of Records**

1836-1965 Record Books and Film  
1965-1990 Impairment Cards and Images  
1990 to Present Computer and Images

## **On-Line Access**

An index for land records is available on-line from 1990 to the present on a subscription basis. Interested parties may contact 543-4203 for information on how to subscribe to this feature. Images are not available on-line. All other land records dating back to 1836 are available for research by visiting the office.

Our index for land records is by name only and cannot be searched by property code number, legal description or address
