

Notice of Day of Review of Intercounty Drainage District Boundaries and Review of Apportionments

QUAKER BROOK INTERCOUNTY DRAIN

DATE: April 19, 2017
TIME: 9:00 a.m. – 5:00 p.m.
LOCATION: Eaton Drain Commissioner's Office
1045 Independence Blvd., Charlotte, Michigan
QUESTIONS: 517-543-3886

The Day of Review is an opportunity to review the Quaker Brook Intercounty Drain Drainage District boundaries and apportionment of benefit within Eaton County with the Drain Commissioner or a staff member. A map of the proposed Intercounty Drainage District boundary revisions can be found on the reverse side of this notice and on the Eaton County Drain Commissioner's website at:

<http://www.eatoncounty.org/departments/drain-commissioner>.

The Drain Commissioner, engineers and/or other staff members will be available to assist individuals throughout the day, and make revisions where necessary. There is no need to schedule an appointment for a specific time on the Day of Review. The computation of costs for the Drain will also be available at the Day of Review. The tentative apportionments/drain assessments against parcels and municipalities within the drainage district that are subject to a special assessment will be available for review. Drain assessments are collected in the same manner as property taxes and will appear on your winter tax bill. If drain assessments are being collected for more than one (1) year, you may pay the assessment in full with any interest to date at any time and avoid further interest charges.

Persons with disabilities needing accommodations for effective participation in the Day of Review should contact the Drain Commissioner's Office at the number noted above (voice) or through the Michigan Relay Center at 7-1-1 (TDD) at least 24 hours in advance of the Day of Review to request mobility, visual, hearing or other assistance.

You may appeal the Drain Commissioner's decision to revise the district boundary to the Eaton County Circuit Court within ten (10) days, and you may also appeal the determination of apportionments to the Eaton County Probate Court within ten (10) days.

Dated: March 17, 2017

Richard Wagner
Eaton County Drain Commissioner
