Administrator*

June 2, 2020

Effective June 2, 2020, access to the Eaton County facilities update

On June 1, 2020, Governor Whitmer issued Executive Order 2020-110. Eaton County Government facilities are available for services Monday through Friday 8:00 a.m. to 5:00 p.m.

The Eaton County Trial Courts continue to operate on a modified schedule for conducting in-person proceedings between the hours of 10:00 a.m. to 2:00 p.m., daily. Those requiring to conduct business with the Court are encouraged to contact the Court prior to arriving at the Courthouse to confirm their need to appear. The County's main telephone number is 517-543-7500. Using the directory, persons will be able to contact County and Court offices.

The public is also encouraged to check for the availability of County services via the County website, www.eatoncounty.org. A complete listing of County phone numbers is available on the website.

Facial covering must be worn while in enclosed public areas, unless an individual is medically unable to tolerate a face covering.
