Easy—Innovative—Convenient

Collaborative services for local residents.

We Believe in Delta Township: We Believe in Eaton County!

Township pleased to partner with Eaton County.

It is with great pleasure that we welcome the Eaton County Treasurer and Eaton County Clerk to Delta Township. In Delta,

we have had a long history of working cooperatively with other governmental agencies to provide the best services to our residents.

This arrangement is another example of thinking outside the box to find ways to improve the quality of life for Delta Township residents. Over the next year, we will work closely with Treasurer Robinson and Clerk Bosworth to pilot these services out of the Township Administration Building. It is our hope that this will be successful and evolve, resulting in even more access to county services in Delta Township.

We will continue to partner and work cooperatively with Eaton County and other governmental agencies to improve the delivery of services and enhance the quality of life for our residents.
