Dog License By Mail Form & Instructions

(Application form attached.)

An Eaton County dog license is required for all dogs four months or older. Licensing provides good pet identification, ensures dogs are vaccinated for rabies, and proves you are its owner.

Licensing has switched from a calendar year renewal to a renewal date based on your pet's rabies vaccination date. A renewal notice will be mailed to licensed pet owners 30-45 days prior to their renewal date. To purchase a three-year license, a valid rabies vaccination must be good for three years. A license will not become delinquent until the last day of the month in which the rabies vaccination expires.
