AGREEMENT

THIS AGREEMENT entered into this _____ day of _____, 2021, by and between the EATON COUNTY BOARD OF COMMISSIONERS, hereinafter called the "Employer," and the COMMAND OFFICERS ASSOCIATION OF MICHIGAN, SUPERVISORY UNIT, EATON COUNTY CENTRAL DISPATCH DEPARTMENT, hereinafter called the "Union."

WITNESSETH

Pursuant to and in accordance with the applicable provisions of Act 379 of the Public Acts of 1965 and of Act 336, Public Acts of 1947, as amended, the parties hereto have engaged into collective bargaining with respect to the salaries, hours of work, and other conditions of employment for the employees in the job classification of Public Safety Telecommunication Supervisor, and have agreed as follows:

ARTICLE 1
RECOGNITION

Section 1. Collective Bargaining Unit. The Employer agrees that during the life of this Agreement it will not recognize any organization other than the Union as the collective bargaining agent for the employees occupying, or who may, during the life of this Agreement, occupy, any of the job classifications set forth in Appendix "A", attached hereto.

Section 2. Other Agreements. The Employer shall not enter into any agreement with one or more of the employees in the bargaining unit or with any other organization which in any way conflicts with the provisions hereof, however the parties may enter into written letters of understanding if properly authorized by their respective agents.

ARTICLE 2
BARGAINING COMMITTEE

Section 1. Bargaining Committee. The Employer agrees to recognize not more than two (2) individuals designated as the Bargaining Committee. The Bargaining Committee members shall be permanent employees in the bargaining unit and shall not be on probationary status. The Union retains the right to have up to two (2) non-employee representatives.

The Union shall furnish the Board, in writing, a list of its designated Bargaining Committee.

Section 2. Computed As Hours Worked. Employee members of the bargaining committee will be paid by the Employer for time spent in negotiations with the Employer, but only for the straight time hours they would have otherwise worked on a regular work schedule. For the purpose of computing overtime, time spent in negotiations shall be considered as hours worked to the extent of the regular work schedule hours which otherwise would have been worked by the bargaining committee member.

ARTICLE 3
UNION SECURITY AND CHECKOFF

Section 1. Checkoff. The Employer agrees to deduct the Union 's dues from the wages of each individual employee in the bargaining unit who voluntarily becomes a member of the Union, subject to the following subsections:

(a) The Union shall obtain from each of its members a completed checkoff authorization form which shall conform to the respective State and Federal laws concerning that subject or any interpretations made thereof.

(b) All checkoff authorization forms shall be filed with the Employer's Controller's Office who shall return any incomplete or incorrectly completed forms to the Union 's Treasurer and no check-off shall be made until such deficiency has been corrected.

(c) The Employer shall checkoff only those obligations that come due at the time of checkoff and will make checkoff deductions only if the employee has enough pay due to cover such obligation and will not be responsible for refund to the employee if the employee has duplicated a checkoff deduction by direct payment to the Union.

(d) The Employer's remittance will be deemed correct if the Union does not give written notice to the Employer's Controller within (4) calendar weeks after the remittance is sent of its belief, with reasons stated therefore, that the remittance is not correct.

(e) The Union shall provide at least thirty (30) days written notice to the Controller, of the Employer, the amount of Union dues and/or representation fee to be deducted from the wages of employees in accordance with this Section. Any change in the amounts determined will also be provided to the Controller, in writing, at least thirty (30) days prior to its implementation. Checkoff Authorization Forms signed by each affected employee should

accompany any notification of initial dues or representation fees deduction as well as any change in said dues or representation fees deductions.

Section 2. Refunds. In cases where a deduction is made that duplicates a payment that an employee already has made to the Union, or where a deduction is not in conformity with the provisions of the Union Constitution or By-Laws, refunds to the employees will be the sole responsibility of the Union and will be made promptly by the Union.

Section 3. Objection. Any employee who has a good faith religious objection to the requirements of this Article due to a tenet of his religion or other reasoned grounds arising out of deep personal convictions shall not be subject to those requirements. The reasonableness of the employee's position shall be subject to the Grievance Procedure.

Section 4. Save Harmless. The Union agrees to defend, indemnify, and save the Employer harmless against any and all claims, suits or any form of liability to anyone arising out of any of the provisions of this Article, including deduction from any employee's pay of Union dues and/or representation fees, and also including anything done in reliance on any list, notice, certification, or authorization furnished under this Article. The Union assumes full responsibility for the disposition of deductions so made once they have been sent to the Union.

Section 5. Laws-Court Rulings. The Employer shall be required to make dues and fees deductions only as long as it may legally do so.

Section 6. In the event that the State of Michigan should amend MCL 423.201, the Public Employment Relations Act, to allow for agency shops, or in the event that the amendments to MCL 423.201 are declared unconstitutional or void by a court of law, then in that event Article 3, Sect. 1-5 shall be reinstated in this contract as was contained in the collective bargaining agreement in effect for the period of January 19, 2011 – September 30, 2012.

ARTICLE 4
RIGHTS OF THE BOARD

Section 1. Management Rights. The management of the business of the Central Dispatch Department is vested exclusively in the County, and the County reserves to itself all management functions including full and exclusive control of the content of work and the direction and supervision of the operation of the Central Dispatch Department business and of the employees of the County.

Section 2. Enumerated Rights. This shall include, among others, the right to hire new employees, to direct the working force, to discipline, suspend, discharge for just cause, to establish classifications, layoff employees because of lack of work, or for other legitimate reasons, to combine or split up departments, to make reasonable rules and regulations not inconsistent with the provisions of this Agreement; to decide on the functions to be performed and what work is to be performed by the County or outside agencies, to subcontract, if necessary, or to establish standards of quality all of which shall be subject to the applicable express provisions of this Agreement.

Section 3. Not Inclusive. The above rights are not all inclusive, but are merely an indication of the type of matters or rights which belong to and are part of the management of the business of the County and the Central Dispatch Department.

ARTICLE 5
SALARIES

Section 1. Schedule. Effective October 1, 2021, up to and including September 30, 2024, the salary schedule set forth in Appendix "A" attached hereto and by this reference made a part hereof shall remain in full force and effect. In no event shall salaries of employees be reduced, unless agreed to by both parties or through collective bargaining. In addition, each member of the bargaining unit shall receive a one-time off-schedule payment of \$1,500 in the first pay period following the effective date of this Agreement.

Section 2. Payroll Errors. Employees must report all payroll errors to the Controller's Office by the end of the second business day following the payday (excluding Saturdays, Sundays and Holidays). If the payroll error was the result of payroll processing and the error is greater than three (3) times the employee's hourly rate, a special paycheck will be issued as soon as possible. If the error was the result of employee negligence, such as not recording work hours properly, not getting appropriate signatures or correct notations on the time card or not reporting the error by the end of the second business day, the error will not be corrected until the employee's next regularly scheduled paycheck.

ARTICLE 6
GRIEVANCE PROCEDURE

Section 1. Definition. For the purpose of this Agreement the term "Grievance" means any dispute regarding the meaning, interpretation, or alleged violation of the terms and provisions of this Agreement, or the Rules and Regulations of the Central Dispatch Department.

Section 2. Grievance Content. All grievances shall be in writing and shall include time, date, alleged contractual violation(s) or written rule(s) or regulation(s) that is the basis of the grievance, the facts that gave rise to the grievance, the remedy desired and the signature of the grievant and/or Union representative.

Section 3. Time Limits. The time limits established by the grievance procedure shall be followed by the parties and may only be extended by mutual agreement in writing.

Section 4. Forfeiture. In the event a grievance is not timely filed or advanced from one step of the grievance procedure to the next, the grievance will be considered as permanently denied or settled on the basis of the Employer's last answer. Failure of the Employer to respond to a grievance, at any stage, within the time limits specified, shall be considered a denial of the grievance and the grievance may be processed to the next step, including arbitration, provided the grievance is advanced timely from the last day that the Employer's answer was due.

Section 5. Day Defined. Whenever "day" is used, it shall mean the weekdays of Monday through Friday, inclusive except for scheduled holidays, which shall be excluded. A day shall constitute an entire twenty-four (24) hour period.

Section 6. Signed Resolution. The Grievance Procedure shall stop at any point when the parties involved reach a satisfactory solution to the grievance. This final answer shall be signed by all parties involved or a representative of the parties involved.

Section 7. Steps of the Grievance Procedure:

STEP 1: The aggrieved employee and/or Union, shall submit any grievance in writing to the Central Dispatch Director or the Assistant Central Dispatch Director within five (5) days after the grievance might reasonably have become known to exist.

The Central Dispatch Director or the Assistant Central Dispatch Director will acknowledge receipt of the grievance with a signature and by entering the time and date received. If not signed by a Union representative, the Central Dispatch Director or Assistant Central Dispatch Director shall provide the representative with a copy.

The Central Dispatch Director or the Assistant Central Dispatch Director shall give a written answer to the aggrieved employee and/or Union Steward within three (3) days of his receipt of the complaint.

STEP 2: If the answer of the Central Dispatch Director or the Assistant Central Dispatch Director in Step 1 is unsatisfactory to the grievant and/or Union, the grievant and/or Union, may within three (3) days of receiving the answer in Step 1, and not thereafter, advance the grievance in writing to the Controller or his designee. The Controller, or his designee, will acknowledge receipt of the grievance with a signature and by entering the time and date received.

The Controller or his designee shall schedule and hold a meeting or give a written answer to the grievant and/or Union within five (5) days of his receipt of the complaint. If a meeting is held, the answer is due within five (5) days after the date of the meeting.

STEP 3: If the answer of the Controller and/or his designee in Step 2 is unsatisfactory to the grievant and/or the Union, the Union may, within three (3) days of receiving the answer in Step 2, and not thereafter, advance the grievance, in writing, to the Grievance Board.

The Grievance Board will be composed of three (3) representatives of the Board of Commissioners. A representative of the Grievance Board will acknowledge receipt of the grievance with a signature and by entering the time and date received.

The Grievance Board shall meet within fourteen (14) days of the receipt of the grievance at Step 3. Both the Employer and Union retain the right to be represented by an outside representative at the Grievance Board.

The Grievance Board shall hear the matter and attempt settlement of said grievance. The Grievance Board shall give a written answer to the Union within fourteen (14) days of the Grievance Board meeting.

STEP 4: ARBITRATION. If the answer of the Grievance Board in Step 3 is unsatisfactory and the Union wishes to carry the grievance further it must, within thirty (30) days notify the Employer, in writing, that it elects to take the matter to arbitration and simultaneously advance the matter to arbitration under the rules of the American Arbitration Association.

(a) The arbitrator shall be empowered to rule only on a grievance which involves an interpretation or application of this Agreement, or the Rules and Regulations of the Central Dispatch Department.

(b) The arbitrator shall not add to, subtract from, ignore or change any of the provisions of this Agreement.

(c) It shall not be within the jurisdiction of the arbitrator to change an existing wage rate, or to establish a new wage rate, nor to rule on the Employer's rights to manage and direct its work force unless there is contained in the Agreement a specific and explicit limitation of those rights, or to infer from any provision of this Agreement any limitation of those rights.

(d) Each party shall furnish to the arbitrator and to the other party whatever facts or material the arbitrator may require to properly weigh the merits of the case.

(e) The Arbitration Association's administrative fee and other charges as well as the arbitrator's charges for his services and expenses shall be shared equally between the Employer and the Union.

(f) The arbitrator's decision, on the arbitrable matter within his jurisdiction, shall be final and binding upon all parties.

(g) Only one grievance shall be presented to an arbitrator in any one hearing, unless the parties mutually agree to combine grievances for the same arbitrator.

ARTICLE 7
DISCIPLINARY ACTION

Section 1. Governing Procedures. In any case where disciplinary action may be taken, the procedures set forth in the section entitled "Discipline" of the Rules and Regulation Books of the Eaton County Central Dispatch Department, as amended from time to time will be followed, except as modified by this Article.

Section 2. Charges. After the appropriate investigation has been completed, any charges resulting in discipline or discharge shall be reduced to writing and a copy shall be furnished, to the employee against whom the charges are brought, and if the employee wishes, to a Union representative.

Section 3. Specific Section. Such charges and specifications shall cite the specific sections of Rules and Regulations and/or appropriate law or ordinance which the member is alleged to have violated.

Section 4. Statements. No employee shall be required to make any statements concerning the alleged offense prior to consultation with a Union representative; provided that a statement may be required within twenty-four (24) hours (one day) of the request for a statement.

Any employee who is to be questioned shall be permitted Union representation by a Union representative during questioning and may be granted up to twenty-four (24) hours (one day) to arrange for such representation. After such time, the questioning may take place, with or without representation.

Section 5. Representation. At the time the discipline is imposed, the employee, whom the charges have been made against, may be represented by a Union representative.

Section 6. Past Infractions. In imposing any discipline on a current charge, the Employer will not base his decision upon any prior offenses which occurred more than eighteen (18) months previously unless directly related to the current charge.

Section 7. Lost Pay or Discharge Grievance. An employee who receives disciplinary action resulting in lost pay or is discharged may file a grievance under the terms of the Grievance Procedure set out in Article 6, beginning at Step 3 of the Grievance Procedure. All other grievances concerning discipline may be filed at Step 2 of the Grievance Procedure.

Section 8. Discipline Absolute. If an employee who is disciplined fails to file a grievance within the time specified in the Grievance Procedure or if, upon the hearing of his grievance, is found to have been properly disciplined then his discipline shall be absolute as of the date of his discipline.

Section 9. Back Wages. If it is found that the employee should not have been disciplined, or that the penalty assessed him was too severe, then the employee's grievance shall be settled as shall be determined by the Employer and the Union, and the employee's payroll and personnel records shall be adjusted accordingly. If the employee is exonerated of the charges causing the suspension, he shall be compensated for all back wages due to the suspension. Such wages shall be based on regular base pay hours and not include overtime, except for wage adjustments under FLSA related to the adoption of the twelve (12) hour shifts.

Section 10. New Hire Probationary Employees. New hire probationary employees, which are employees not previously belonging to the Supervisory or Non-Supervisory Units of the Eaton County Central Dispatch Department, shall not be entitled to the benefits and procedures herein provided in case of disciplinary action, except as provided for in the

Department Rules and Regulations. Such employees shall not be entitled to a Union representative.

Section 11. Just Cause. All disciplinary action will be for just cause.

Section 12. Personnel Files. The employee shall have the right to review his personnel file at any reasonable time and may place written statements in his personnel file pursuant to Act 337, Public Acts of 1978, and as amended.

Section 13. Suspension. The Employer reserves the right to suspend employees. This suspension may take the form of a suspension from regular duties and temporary assignment to other duties, suspension from all duties with pay, or suspension from all duties without pay. Prior to the resolution of a disciplinary case at the departmental level, suspension without pay will only be used in cases where the Employer, within his sole discretion, feels the circumstances are of a serious nature.

ARTICLE 8
HOURS OF WORK AND OVERTIME

Section 1. Hours of Work.

- (a) The Employer shall have the following rights:
- (1) To schedule the work of unit employees to meet the needs of the Central Dispatch Department. General shift changes and rotations will be posted a least one (1) month in advance.
 - (2) To establish shift starting and quitting times. The Union will be notified in advance of general changes in starting and quitting times.
 - (3) To change the number of hours which comprise the normal workday of shift, and the number of days or shifts which comprise the normal workweek, including the right to change the number of days off during any particular period of time.
 - (4) To require overtime work.
 - (5) To schedule on a bi-weekly basis, i.e., eighty (80) hours of work in a two-week period.

(b) **Shift Preference.** Non-probationary employees will be given shift preference based on seniority within rank. Prior to any shift preference selections, the Employer may assign a probationary employee or an employee subject to temporary assignment (under the terms of Article 9, Section 8, of the Central Dispatch Non-Supervisory Unit) to any shift for training.

Shift selections will be conducted in as close to six (6) month intervals as will facilitate an orderly procedure by which the selections may be processed in advance. Shift rotations will be on a quarterly basis.

Section 2. Schedules of Work.

- (a) Employees will be given reasonable notice of any individual shift changes.
- (b) Employees will not be regularly scheduled with less than ten (10) hours between shifts. If an employee is ordered to work a schedule with less than ten (10) hours between shifts,

in violation of the intent of the above sentence, he shall be paid time and one half for such hours between shifts.

(c) Employees will not be required nor scheduled to work more than seven (7) consecutive days.

Section 3. Pass Days.

(a) Employees receive pass days in lieu of weekends off. In a calendar year there are fifty-two (52) Saturdays and fifty-two (52) Sundays for a total of one hundred four (104) weekend days. Additionally there are twelve (12) holidays recognized in this contract. This is a total of one hundred sixteen (116) days which an employee who works a Monday - Friday schedule would normally be off work each year. The Employer's right in Section 1 to change work schedules is expressly limited to schedules which normally allow a total of at least one hundred sixteen (116) days off per year. Permissible examples, assuming twelve (12) holidays (this list is not all inclusive):

- (1) Five (5) workdays per week plus the twelve (12) credited holidays as recognized in Article 13, Section 1. The workday shall be eight (8) hours (a one-hour unpaid meal period shall be allowed near the middle of the scheduled work shift). A one-half hour paid meal period may be granted by the Employer, for any employee working on a continuous assignment.
- (2) Four (4) ten-hour days and three (3) days off with no credited holidays. The workday shall be ten (10) hours including a one-half hour paid meal period.
- (3) Six (6) twelve-hour days, plus one (1) eight-hour day within a fourteen (14) day period with no credited holidays. The workdays shall be twelve (12) hours or eight (8) hours including a one-half hour paid meal period.

(b) The preceding paragraph (a) is subject to the minimum requirement that each employee shall receive eight (8) pass days (i.e. days off) during each twenty-eight (28) day pay period.

(c) The preceding paragraph (a) is also subject to the requirement that no employee shall be regularly scheduled for more than twelve (12) hours per day.

(d) Additional pass days shall not be granted if an employee works on a pass day or a holiday and is compensated accordingly.

Section 4. Lunch Periods and Rest Breaks. Members of the bargaining unit shall receive two (2) fifteen (15) minute paid rest breaks and a lunch break during each scheduled workday subject to the provisions of (3)(a)(1) and (3)(a)(2). The Employer and the employee both recognize that due to the demands and responsibilities of the assignment, it is not always possible to take the rest breaks and lunch period at a convenient or set time. However, members are encouraged to take their rest breaks and lunch periods when possible.

Employees will take their rest breaks and paid lunch periods in the employee's assigned work area. If another supervisor is scheduled as additional supervisory staff, a supervisor may leave the work area to pick up lunch for other employees. Rest breaks and lunch periods not taken will not accumulate.

Section 5. Overtime. Employees shall receive double time pay (*i.e.* two (2) times their straight-time rate of pay) for unscheduled overtime in which the employee is called in to work. Employees shall receive triple time pay (*i.e.* three (3) times their straight-time rate of pay) for unscheduled overtime in which the employee is called in to work on a holiday recognized by this Agreement. For purposes of this section, "unscheduled overtime" shall mean overtime worked with less than 48 hours' notice to the employee. Double time and triple time shall not be paid for hours worked continuous or contiguous to the employee's scheduled shift (*i.e.* where the employee is called in early or held over).

(a) Nothing herein shall prohibit the employee from electing to accept compensatory time off in lieu of overtime pay which is also earned at the rate of one and one half (1 1/2) times the hours worked.

(b) Such accumulated compensatory time must be taken in at least one quarter (1/4) hour increments at a time mutually agreeable between the Employer and the employee.

(c) Such compensatory time may be accumulated to a maximum of one hundred sixty (160) hours. Accumulated compensatory time may be paid to an employee, minimum of forty hours, upon written request by the employee. Such written request must be received by the Employer at least two (2) weeks prior to the appropriate pay period. Unused compensatory time shall be paid to the employee upon separation or retirement. Payment to the employee under this provision may not occur more than once in any calendar quarter (January-March, April-June, July-September, October-December).

Section 6. No Pyramiding. There shall be no pyramiding of overtime or premium pay. Hours paid for at overtime or premium rate shall not be used again in the computation of other overtime compensation. If more than one (1) type of overtime or premium compensation is applicable to the same hours of work, the higher rate of compensation only shall apply.

Section 7. Changes in Workweek/Workday. All changes, pursuant to Section 1 (c) in the workweek or workday or any change involving a combination of the length of workday or workweek will be discussed with the Union before the change is implemented.

Section 8. Call Back. If an employee is called back to work during scheduled off duty time, he will be compensated for a minimum of two (2) hours in which case he shall be paid for all hours or portion thereof worked. Provisions of this Section are not applicable when call back works into the start of an employee's regular shift. In this case, overtime will be paid.

Section 9. Authorization of Overtime/Call Back. Overtime and call back must be authorized by the Employer or its designated representative before it will be paid.

Section 10. Layoff in Lieu of Reduced Hours. An average of forty (40) hours of work per week shall be maintained if possible. If necessary, junior employees will be laid off so that senior employees may maintain an average of forty (40) hours of work per week unless agreement to the contrary is reached by a special conference, which may be initiated by either party.

Section 11. Inclement Weather/Act of God. Any employee who is scheduled for, and works, an entire regularly-scheduled shift, all or some of which is during the twenty-four (24) hour period in which, as a result of inclement weather or other Act of God, the County offices are closed for a full day by order of the Chairperson of the County Board of Commissioners, shall receive eight (8) hours of pay at his or her regular, straight-time rate of pay, which pay shall not be included in his or her regular rate of pay for overtime purposes.

ARTICLE 9 **SENIORITY**

Section 1. Definitions.

(a) County seniority shall be defined as continuous length of service with the Employer from date of last hire. It shall equal the time actually spent on the active payroll, plus approved leaves of absence, unless otherwise provided in this Agreement. A permanent full-time employee will begin to accumulate seniority upon the expiration of his probationary period, at which time his name will be placed on the seniority list as of his last date of hire as a full-time employee of the Department.

(b) Seniority within rank shall be defined as continuous length of service within the current rank. It shall equal the time actually spent in rank on the active payroll, plus approved leaves of absence, unless otherwise provided in this agreement.

Section 2. Seniority List. A seniority list shall be prepared, and a copy posted on the bulletin board. It shall be revised and kept current by the Employer.

Section 3. Job Probation. Following the granting of a promotion the successful employee shall have a twelve (12) month probationary period, during which he may be returned to his previous rank at the Employer's discretion subject to just cause for the return or the employee may voluntarily return to his previous rank.

During the probationary period, the employee shall receive the rate of pay of the rank to which he has been promoted.

Section 4. Loss of Seniority. Seniority shall be lost, and employment relationship shall end under the following conditions:

- (a) By quit or discharge for cause.
- (b) Failure to return to work upon recall from a layoff.
- (c) Failure to return to work at the expiration of a leave of absence.

(d) Laid off for more than two (2) years or the length of his seniority, whichever is less.

(e) Retirement.

The seniority of an employee that has been lost under the above provisions may be restored in full or in part by mutual agreement between the Employer, the employee and the Union.

Section 5. Probationary Employees. All new employees, as opposed to promoted employees, shall be on probation for nine (9) months from their date of hire. During this period an employee shall be considered as a temporary employee for the purposes of probation.

Until a new employee has completed the probationary period described herein, he may be laid off, disciplined, or discharged without regard to this Agreement and without recourse to the Grievance Procedure. The Employer shall have no obligation to re-employ an employee who is laid off or discharged during his probationary period. The Union will only represent such employees for the purpose of collective bargaining in respect to their rates of pay, hours and other conditions of employment.

Section 6. Seniority Employees Promoted Outside the Bargaining Unit. If an employee is promoted outside this bargaining unit and returns, after continuous service in Central Dispatch, the employee shall only retain his seniority previously earned in this bargaining unit.

Section 7. Employees With Same Seniority Within Rank. As between two (2) or more employees who have the same seniority within a rank, the employee with the longer seniority with the County shall be deemed senior within rank. If both date of rank and seniority with the County are the same, then seniority shall be determined by the drawing of names.

Section 8. Temporary and Special Assignments.

(a) Temporary Assignments. If an employee is temporarily assigned to fill a higher position, by being given at least 24 hours advance notice, the employee will be paid at the level of the pay scale that represents at least a five percent (5%) increase over their current pay scale for all assigned hours worked. The Employer shall make assignments to temporary vacancies in higher positions based on all appropriate factors, one of which shall be seniority. When the vacant higher position is no longer temporary, but permanent, the Employer shall follow the Rules and Regulations currently used by the Central Dispatch Department to fill the permanent vacancy.

(b) Training Assignment.

- (1) Unit Employees. Any employee who has been designated by the department as a trainer and is actively training a probationary bargaining unit employee shall receive an additional compensation equivalent to three quarters (3/4) hour pay per shift for each shift assigned to that duty.
- (2) Public Safety Telecommunication Supervisors - A supervisor who is actively involved in the supervision of training new probationary Public Safety Telecommunication Supervisors and who completes a weekly or monthly review and written evaluation consistent with the Eaton County Central Dispatch Department's training program shall receive additional compensation equivalent to one (1) hour of pay of each weekly (or monthly) written evaluation. By way of example, the current weekly review and written evaluation is called a Weekly Summary Report.
- (3) Probationary Telecommunicator Employees. Any supervisory unit employee who has been designated by the department as a trainer and is actively training a telecommunicator probationary employee (to include the requirement of completing a Daily Observation Report for that assignment) shall receive an additional compensation equivalent to three (3) hours straight pay per shift for each shift assigned to that duty.

Section 9. Resignations. The Employer, the Union, and its members, recognize that due to the demands and responsibilities of the Central Dispatch assignments, that employees who desire to terminate their employment with the Employer, should give at least four (4) weeks written notice of termination of employment to the Employer, unless there are circumstances which do not permit such advance notice.

ARTICLE 10
LAYOFF AND RECALL

Section 1. Order of Layoff. When the Employer determines that layoffs are necessary due to reduced finances, reduced workload, or programmatic changes, he shall layoff employees according to which program area of the Department can best afford the reduction in personnel. Any laid off employee shall then have the option of bumping an employee of less seniority within rank (as defined in Article 9, Section 7) or agreeing to the layoff. Such bumping shall continue in the manner described until the least senior employee in the unit is laid off.

An employee who is bumped is considered laid off for the purpose of this article.

Bumping shall occur according to seniority within rank (as defined in Article 9, Section 7). Any employee utilizing the displacement rights provided by this Article and subsections thereof, must be able to perform the required work. (It is understood by the parties that the individual must meet the minimum qualifications for said position). If a laid off employee does not meet the minimum qualifications at the time of layoff to allow him to exercise his bumping rights, but subsequently takes the necessary steps through training, etc., to meet those minimum qualifications, he may at the conclusion of the necessary training, etc., exercise his bumping rights. An employee who has bumped into a new position shall be removed from that position and re-enter the bumping system if he has not demonstrated an ability to perform the new duties satisfactorily within thirty (30) days.

If an employee is, by exercise of his seniority within rank, unable to displace anyone in the unit, he may utilize previously earned seniority to displace an employee with less previously earned departmental seniority as defined in the Non-Supervisory Central Dispatch Unit pursuant to Article 9, Section 5, of that collective bargaining Agreement.

Section 2. Notice of Layoff. The Employer shall give written notice to the employee and Union of any proposed layoff. Such notice shall be submitted at least two (2) calendar weeks before the effective date thereof unless there are circumstances which do not allow such advance notice.

Section 3. Recall Procedure. When the working force is increased after a layoff, employees will be recalled in inverse order of layoff, within rank. Notice of recall shall be sent to the employee at the last known address by registered mail or certified mail. If an employee fails to report for work within one (1) week from date of receipt of notice of recall, he shall be considered to have quit. It shall be the responsibility of the employee to make the Employer aware of their current address.

Section 4. Reinstatement. When applicable positions become available, any employee demoted or laid off from the bargaining unit shall be reinstated to the rank held prior to the demotion or layoff without being required to take a promotional examination. No new promotions shall be made to any applicable rank until all such employees have been reinstated, have refused promotion, or have quit.

Section 5. Voluntary Layoff.

(a) In the event of layoffs, the Employer shall post the anticipated duration and number of employees to be subject to layoff for the purpose of determining whether any employees in the bargaining unit desire to participate in a voluntary layoff by signing the posting. In the event the number of employees indicating a willingness to participate in a voluntary layoff exceeds the number of positions subject to layoff, the Employer shall grant the requests on the basis of seniority within rank; affording to the most senior employee the first option.

(b) Voluntary layoffs shall be subject to the approval of the Central Dispatch Director or his Designee based on the operational needs of the Department. An employee(s) who is approved for voluntary layoff shall not be able to exercise the bumping provisions described in this Article, unless the period of layoff exceeds the periods described in the posting.

(c) The Employer retains the right to call the voluntary layoff employee back to work with two (2) weeks notice at any time prior to the expiration of the voluntary layoff, subject to the operational needs of the Department. Should the employee decline to return to work, his employment shall be terminated.

(d) If an employee should volunteer for such layoff for the time specified by the Employer, and the layoff should extend beyond the time period so specified, the employee(s) in question shall be recalled and, if layoffs are still necessary, they will proceed in the manner outlined above. The voluntary layoff employee subject to recall may notify the Employer at the time that he does not wish to return to work, and will be terminated from employment.

(e) If the Employer does not secure any layoff by voluntary action, or if the number of volunteers for layoff status does not equal the number of positions subject to layoff, the provisions of Section 1, above, will be applicable.

(f) Employees that are placed upon layoff status as volunteers will be subject to the provisions of Article 9, Section 1 and 4 regarding seniority, and Article 16, Section 7, regarding insurance benefits.

ARTICLE 11
UNPAID LEAVES OF ABSENCE AND SICK PAY

Section 1. Good Cause. Leave of absence may be granted by the Employer for good cause, during which the employee shall continue to accumulate seniority.

Section 2. Military Leave of Absence. Application for military service leave of absence shall be made to the Central Dispatch Director in writing as soon as the employee is notified of acceptance in military service and, in any event, not less than two (2) weeks prior to the employee's departure. The Employer and the Union agree that the matter of leave of absence for an employee during the period of his military service with the Armed Forces of the United States and of his reinstatement thereafter shall be governed by applicable statutes. An employee in military service shall retain any unused sick leave or vacation time accrued and rights under such provisions shall be governed by applicable Federal and State law.

Section 3. Other Leaves. Leaves for sickness, disability, or injury of an employee other than those governed by Worker's Compensation or covered under the Employer's sickness and accident program may be granted upon receipt of notice by the Employer and will be for a fixed period with the obligation on the employee to report any change of conditions or request a continuation.

Employees requesting such leave, or continuation of same, within reasonable limits may be requested to present a supporting certificate of a physician. An employee returning from such leave may be required to pass a physical examination given by a physician approved by the Employer.

Section 4. Sick Pay.

(a) Employees Hired Prior to January 1, 1991. All full-time unit employees shall be eligible to accumulate sick leave hours at the rate of three (3) hours per pay period for each

completed eighty (80) hours of service (pro-rated for pay periods with less than eighty (80) hours of completed service). Any sick leave hours accumulated in excess of five hundred (500) hours shall be compensated for to the employee at their current rate of pay. Such compensation will be made on the first pay day in December.

Upon retirement or separation from employment with the Department, a full time non-probationary employee shall be paid for only seventy five percent (75%) of their accumulated sick leave hours. In the event of the death of an employee, the designated beneficiary shall receive seventy five percent (75%) of their unused sick leave hours in a lump sum payment. The amount for each such hour being paid for will be based upon the employee's most recent rate, or an average of their most recent five (5) year pay rate, whichever is higher.

(b) Employees Hired, Promoted, or Transferred into the Unit After January 1, 1991.

All full-time unit employees shall be eligible to accumulate sick leave hours at the rate of three (3) hours each pay period for each completed eighty (80) hours of service (pro-rated for pay periods with less than eighty (80) hours of completed service). Employees hired from outside the county shall commence earning sick leave hours, at such rate, only after they have completed six (6) months of continuous employment. Employees from the Department promoted to a position in the unit shall be eligible to earn sick leave immediately. Any sick leave hours accumulated in excess of five hundred (500) hours shall be compensated for to the employee at their current rate of pay. Such compensation will be made on the first pay day in December.

Any employee who retires and is immediately eligible for retirement benefits as defined by the Municipal Employees' Retirement System shall be paid for only fifty percent (50%) of their accumulated sick leave hours. In the event of the death of a non-probationary employee, the designated beneficiary shall receive fifty percent (50%) of their unused sick leave hours in a

lump sum payment. The amount for each such hour being paid for will be based upon the employee's most recent rate, or an average of their most recent five (5) year pay rate, whichever is higher.

(c) Critical Illness in Family. Employees may use accrued sick leave hours, in a minimum of one quarter (0.25) of an hour increments up to 12 hours (consistent with the employee's regularly scheduled work hours) provided they have been employed 30 days.

Eligible employees may use accrued paid sick leave for absences due to the following circumstances:

- i. Mental or physical illness, injury or health condition of the employee or the employee's family member (as defined below), including medical diagnosis, care, treatment, or preventative care; Medical care, counseling, relocation, legal services, or court appearances related to domestic violence or sexual assault.
- ii. Absences for medical, dental or optical appointments.
- iii. Sick leave may also be used for illness of an employee's immediate family members where their attendance is essential to their care. Absences for medical, dental or optical appointments may also be taken from accumulated sick leave.
- iv. An employee's family members, for purposes of use of sick time, shall be defined as the employee's current spouse, child (including biological, adopted, foster, stepchild, or child for whom the employee is the legal guardian), parent (including biological, foster, step, adoptive or legal guardian when the employee was a minor), grandparent, grandchild, and sibling (including biological, foster or adopted).

Employees shall make reasonable attempts to schedule these on their pass days.

Employees must notify the Director or Deputy Director within seven (7) calendar days' notice for preventive or non-urgent or non-emergency appointments.

Employees shall provide a doctor's statement to the Controller's Office when requested by the Director or Deputy Director. Falsification of such evidence may result in discipline.

Employees who have submitted a notice of resignation may not use sick leave within their last two weeks of employment without providing a doctor's statement.

(d) Sick leave shall not run consecutively with vacation leave, except with the written approval of the Director or Deputy Director and/or upon submission of a doctor's note. No sick leave shall be taken as vacation leave.

(e) It is clearly understood that sick leave days are meant to compensate employees who are off work because of bona fide critical illness in the immediate family. The Employer shall not be required to pay sick benefits to employees who violate this understanding and such employees will be disciplined up to and including discharge.

(f) Except as provided otherwise in this Article, an employee excused from work under this Article shall receive sick pay for the number of regularly scheduled hours per day according to the work schedule the employee is assigned to at the time the sick day is used. Sick time shall not be used in less than one half (1/2) hour increments.

(g) An Employer may require verification, including a physician's certificate to verify the necessity of sick leave and/or to verify that an employee is able to return to work.

- (1) In the event the employee utilizes sick leave, not supported by the Physician's certificate, in excess of seventy-eight (78) hours earned in a calendar year, the employee shall furnish a Physician's certificate to verify the necessity of the sick leave.
- (2) An employee who is sick and does not have accumulated sick leave hours accrued, may use compensatory time or vacation time in place of sick time if they furnish a Physician's certificate verifying the necessity of the sick time.

Section 5. Family and Medical Leave. The Family and Medical Leave Act requires those Employers with 50 or more employees to allow employees to take an unpaid leave of absence for up to 12 weeks per calendar year (and under certain circumstances for up to 26

weeks). The leave may be taken for the birth of a child, placement of a foster care child in the employee's home, adoption of a child; to care for a seriously ill immediate family member; for the employee's own serious health condition; to address certain qualifying exigencies permitted when the employee's spouse, son, daughter, or parent is on active duty or called to active duty status in the National Guard or Reserves in support of a contingency operation; or to care for a member of the Armed Forces (including the National Guard or Reserves) who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy, or is in outpatient status, or is on the temporary disability retired list. Immediate family members include child, spouse or parents. During an FMLA leave, the employee may not obtain any employment he or she did not have immediately before the commencement of the leave.

The employee must have worked the 12 months prior to the request for unpaid leave and must have worked at least 1250 hours in that 12-month period to qualify for this unpaid leave of absence. The employee is required to give a 30-day notice of their intent to use the leave, whenever foreseeable. The proper forms may be obtained from the Employer. In the event that the leave is being requested for the care of an immediate family member, it will be required to have a physician's statement certifying the necessity for such leave. In the event that the leave is for the birth of a child, any time off under the County's Short-Term Disability Plan is included as part of the 12 weeks allowed under the Family and Medical Leave Act.

Although the law indicates that an employee is entitled to a 12-week unpaid leave of absence, the County has the right to, and may require its employees to use their accumulated sick

leave (where applicable) or annual leave. However, this does not extend the leave beyond the 12 weeks.

The Employer is also required to continue all health insurances as though an employee is actively working for a maximum of 12 weeks. However, the Employer does have the right to collect premiums for the health insurances in the event an employee does not return to work at the end of their 12 week leave, unless medically not able to return.

ARTICLE 12

In addition to bereavement leave, an employee may, with Director or Deputy Director's approval, use any accumulated leave time for additional approved time off as necessary. Employees may be required to provide documentation with regard to their bereavement leave, e.g. death certificate, funeral or memorial notice.

Paid bereavement leave will be granted according to the following schedule:

- Employees are allowed up to five days off from regularly scheduled hours in the event of the death of the employee's current spouse, child, parent, or step-parent, including legal guardian.
- Employees are allowed up to three days off from regularly scheduled hours in the event of death of the employee's sibling, grandparent, grand child or current in-law.

Section 3. Intent. Bereavement pay is meant to compensate an employee who needs to be off work because of the death of a member of his immediate family (as defined in this Article). Time off will be granted only when it is consistent with this purpose.

The first round will be considered the primary round and will be for submission of vacation requests of up to two (2) twelve (12) day blocks of vacation time. The twelve (12) days of each block must be consecutive. The second round will be considered the secondary round and will be for submission of vacation requests for one (1) calendar week block. A calendar week is defined as Monday through Sunday. The third round will be for submission of vacation requests for single days or hours down to one quarter (1/4) hour increments. During the third round of requests, compensatory time may also be used in conjunction with a vacation request.

For each round, employees will have three (3) of their regularly scheduled work days to submit their requests. If an employee does not submit within three (3) of their regularly

scheduled work days, the Employer may bypass to the next employee in seniority order and continue down the list.

After the third round, any new requests for vacation time will be accepted on a first come, first served basis. Denial of new requests can be grieved through Step Three only. (a) Coverage. The Employer shall continue to provide health insurance for each employee and his family. Coverage for eligible employees shall begin on the first day of the month following thirty (30) days of employment or the first day following their date of employment that allows them to have continuous coverage from previous employment. Coverage for promoted employees shall be continuous. Coverage ends upon an employee's separation from employment.

Effective March 1, 2011, all eligible regular full-time employees shall be covered by a health insurance plan, which is currently the Blue Cross and Blue Shield of Michigan Community Blue 6 Plan, as attached hereto as Appendix C.

Effective as soon as practicable after the effective date of the new contract the County shall offer as an option, the Blue Cross/Blue Shield Community Blue 12/20% plan, with deductibles of \$1000/\$2000, 20% co-insurance, co-insurance maximums of \$2500/\$5000, \$20 OV, \$10/\$40/\$80 Rx.

The base health insurance coverage is BC/BS CB12, in which the employee will be automatically enrolled unless he or she elects the BC/BS CB6 Plan

The contract will be reopened solely for the purpose of negotiating employee health insurance for the 2020 medical benefit plan year.

An employee, whose spouse has comparable group health insurance from another source, must secure coverage for the spouse from that group. The comparable coverage must also cost the spouse less than \$1,200 annually effective March 1, 2011. The spouse may be covered by the Employer's group health coverage upon becoming ineligible to be covered by the other

source or if the alternate coverage does not continue to be comparable to the coverage provided by the Employer. When a spouse has coverage, as described above, any other eligible family members will be covered according to the Order of Benefit Determination Rules, i.e., coverage is the coverage plan of the parent whose birthday is earlier in the calendar year.

If an employee does not agree with the County's determination of comparable coverage, they may submit the issue for an independent third-party review. The independent party will be mutually agreed to by the Union and the County. The decision made by the independent third party shall be final and binding on all parties and not subject to the Grievance Procedure.

Each member of the bargaining unit who is employed by the Employer on February 15, 2011 shall receive a one-time, off-schedule, ratification bonus equivalent to 1.50% of his/her base salary set forth on Appendix A. This ratification bonus will be paid on the March 4, 2011 pay date.

(b) The Board may take any action in compliance with Michigan Public Act 152 of 2011, and payroll deductions are authorized for this purpose. In the event that PA 152 is repealed or declared unconstitutional or legally not effective by a court or administrative agency of competent jurisdiction, employees taking health insurance through the Employer shall contribute by payroll deduction on a monthly basis 20.00% of the cost of such insurance (as determined by illustrative rates).

(c) Payment in Lieu of Coverage. A regular, full-time employee who is eligible for insurance via another source and who executes an affidavit to that effect may elect not to be covered by the health insurance provided under this Article. The decision to waive coverage shall be made once per calendar year, during the 30-day period prior to January 1st of each year. A waiver agreement drafted by the County shall be executed by the employee. In the event the

employee elects to forego health insurance, the County shall pay the employee the amount of \$100.00 monthly (up to \$1,200.00 per year) directly as taxable compensation. The payment shall be made on a monthly basis, on the first payday of the month following coverage. New hires may opt for the health waiver upon hiring into the County.

The provisions of the sub-section (b) shall not apply to a husband and wife who are both employees of Eaton County. Those employees shall not be permitted to have double health insurance coverage.

An employee losing health insurance coverage from another source shall notify the County Personnel Department in time so that the employee and dependents, where appropriate, can be re-enrolled in a health care plan beginning the first day of the month following alternate coverage. No pre-existing condition requirement has to be met in this situation. The employee shall be paid through the month in which they were covered under the waiver. Payment to be made the first payday of the month following coverage.

service time or any other type of MERS service credit purchased before September 30, 2000 in accordance with policy can be included in the 25-year requirement); and is at least fifty-five (55) years of age; and has not had any lapse in group health coverage.

- (ii) Is retired due to a duty disability as determined by MERS, or
- (iii) Is an employee who retires with twenty-five (25) years of service (as defined in (2) (i) above); and has not attained the age of (55); and who maintains group health coverage. When said employee reaches age 55, he becomes eligible for the Employer's paid group health coverage as provided herein, provided, the employee can document continuous group health coverage from the date of retirement. It is the expressed intent of the parties that years of service (25 years of Eaton County Service) be rewarded.

(2) For those employees who become a part of the bargaining unit after September 30, 2000, an eligible employee is one who:

- (i) Has twenty-five (25) years of service with Eaton County (prior military service time purchased in accordance with MERS policy can be included in the 25-year requirement); or has twenty-five (25) years of service under MERS; and has purchased prior service credit before September 30, 2000; and is at least fifty-five (55) years of age; and has not had any lapse in group health coverage, or

When said employee reaches age 55, he becomes eligible for the Employer's paid group health coverage as provided herein, provided, the employee can document continuous group health coverage from the date of retirement. It is the expressed intent of the parties that years of service (25 years of Eaton County service) be rewarded.

(b) Working Elsewhere After Retirement. An eligible retiree, past or present, may be employed elsewhere after retirement. If such eligible retiree's employment is with another Employer providing comparable group health coverage, he must secure coverage from that group. The comparable coverage must also cost less than \$600.00 annually (\$900.00 effective January

1, 2009). (This amount shall be \$1,200 for those eligible retirees who retire on or after March 1, 2011). The retiree may then return to the Employer's group health coverage upon his separation from the other Employer.

If an employee does not agree with the County's determination of comparable coverage, they may submit the issue for an independent third-party review. The independent third party will be mutually agreed to by the Union and the County. The decision made by the independent third party shall be final and binding on all parties and not subject to the Grievance Procedure.

(c) Alternate Coverage. An eligible retiree, past or present whose spouse has comparable group health insurance coverage from another source must secure coverage for the spouse from that group. The comparable coverage must also cost the spouse less than \$600.00 annually (\$900.00 effective January 1, 2009). (This amount shall be \$1,200 for those eligible retirees who retire on or after March 1, 2011). The spouse may then be covered by the Employer's group health coverage upon becoming ineligible to be covered by the other source or if the alternate coverage does not continue to be comparable to the coverage provided by the Employer.

If an employee does not agree with the County's determination of comparable coverage, they may submit the issue for an independent third-party review. The independent third party will be mutually agreed to by the Union and the County. The decision made by the independent third party shall be final and binding on all parties and not subject to the Grievance Procedure.

(d) Spouse Coverage.

(1) An eligible employee may include health insurance coverage for his spouse under the following conditions:

(i) From the date of the employee's eligibility for paid health insurance up for the initial twelve (12) month period the Employer will pay 50% of the premium difference required to include the

spouse with the employee paying the remaining 50% of the premium difference.

- (ii) For the next twelve-month period, the Employer will be responsible for paying 60% of the premium difference required to include the spouse with the employee paying the remaining 40% of the premium difference.
- (iii) For the next twelve-month period the Employer will be responsible for paying 70% of the premium difference required to include the spouse with the employee paying the remaining 30% of the premium difference.
- (iv) For the next twelve-month period the Employer will be responsible for paying 80% of the premium difference to include the spouse with the employee paying the remaining 20% of the premium difference.
- (v) For the next twelve-month period the Employer will pay 90% of the premium difference required to include the spouse with the employee paying 10% of the premium difference.
- (vi) The Employer will be responsible for the entire premium payments made thereafter.

- (2) An employee whose spouse is not immediately covered from the date of the employee's eligibility for paid health insurance because of alternate coverage as specified in (c) above, and who subsequently becomes eligible shall enter the Employer's payment schedule based on the date of the employee's eligibility for paid health insurance.
- (3) For all employees hired after October 1, 2000, spouses may continue to be covered by the Employer's health insurance plan at the employee's expense.
- (4) In the event of the employee's death, the spouse (at time of retirement) may continue coverage as described in this Section at the Employer's expense. For all employees hired after October 1, 2000, the coverage shall be provided at the spouse's expense.
- (5) If an employee acquires a spouse after the effective date of retirement, this spouse may secure County health insurance coverage at the employee's expense. It is the intent of the parties that this option apply only to the first new spouse after retirement.

(e) Continuation of Employer's Group Health Coverage. Any employee who retires and is not eligible for health insurance coverage as described herein and (1) who is immediately eligible for retirement benefits under MERS or (2) is retired due to non-duty disability as determined by MERS may remain on the Employer's health insurance plan by paying the full amount of the premium on a pre-paid quarterly basis for a period of ten (10) years or when the employee is eligible for Medicare, whichever occurs first. Procedure for such payment will be established by the Employer.

(f) An employee that retires prior to January 1, 2021, and is also receiving payment in lieu of coverage under this section, shall continue to be eligible to receive the payment contained herein. That retiree shall have executed an affidavit prepared by the County to elect not to be covered by the health insurance provided under this Article. In the event that retiree elects to forego health insurance, the County shall pay an amount up to twelve hundred dollars (\$1,200.00) directly to them as taxable compensation. The payment shall be made on an annual basis, as soon as possible after the end of the calendar year. A retiree is eligible for full payment if they have been eligible for County paid health insurance for the prior twelve (12) month period. Employees who retire on or after January 1, 2021 shall not be eligible for payment in lieu of coverage upon retirement.

(g) Health Care Savings Program. The County has established a Health Care Savings Program (HCSP) through the Municipal Employees' Retirement System (MERS). Any accumulated leave time available to be paid to an employee upon their separation from or retirement from the County may, at the employee's option, be converted into a HCSP in accordance with MERS Policy.

Section 3. Health Insurance – Retirees – Employees Hired After April 1, 2007. Any employee hired after April 1, 2007, will not be eligible for County paid retiree health insurance. The County has established a Health Care Savings Program (HCSP) through the Municipal Employees Retirement System (MERS). Employees will be required to contribute 1% of their salary into their HCSP, which will be a pre-tax deduction. In addition, the County will contribute an amount equal to 2% of the employee's salary into their HCSP. An employee is also able to contribute an additional portion of their salary into the HCSP over and above the mandatory 1%, up to 10%, which will also be a pre-tax deduction. The County will match the additional contribution by the employee for any amount over 2% and up to 4%.

Any money contributed by the employee, both on a mandatory or voluntary basis, will remain in the employee's account to use for allowable health related activities upon their retirement or termination of employment with the County. In the event of an employee's death, the vesting provisions described below shall apply to the funds in the employee's account. These funds shall remain available for use by the employee's spouse and/or legal dependents under the same terms and conditions for all other individuals enrolled in the County's HCSP. In the event the employee has no spouse or legal dependents, the County shall pay the appropriate amount to the employee's beneficiary in a lump sum payment.

The HCSP has a vesting period. If an employee terminates employment prior to 5 years of service, they will receive only their contributions. An employee with 5 years of service, but less than 10 years of service, shall receive both their contributions and fifty percent (50%) of the County's contributions upon their termination of employment from the County. An employee with 10 years of service or more shall receive both their contributions and the County's contributions upon their retirement or termination of employment from the County.

Any leave time accumulated, but not used (available), which is eligible to be paid to an employee upon their separation from or retirement from the County may, at the employee's option, be converted into their HCSP in accordance with MERS Policy.

Section 4. Dental Insurance. All employees and their families shall be covered by a Dental Plan. Dental Services will be provided with the employee paying 50% of claims and the Plan paying 50% of the claims up to a maximum of \$1,200 per covered person per year.

The Employer agrees to offer dental insurance to retirees upon retirement, if available through the County's current dental carrier. The cost of the coverage will be paid for by the employee.

Section 5. Sickness and Accident Insurance.

(a) Coverage. The County provides S & A insurance coverage for all regular full-time employees. The coverage will be applicable to non-work-related disabilities (including pregnancies), as set forth in the Plan Document. If an employee fails to return to work or returns to work from a disability leave and resigns prior to the completion of ninety (90) days of employment they shall be required to reimburse the County for any disability benefits received during their leave, unless the reason for not returning or not completing the ninety (90) day period is that the employee is eligible for another disability leave, workers' compensation or Family Medical Leave Act. During the time an employee is off of work on the Sickness and Accident Program, they shall have no other employment. The coverage shall provide the following:

66-2/3% of basic weekly earnings to a minimum of \$400 or a maximum to be determined annually by the Ways and Means Committee for 26 weeks maximum, commencing the first day of an accident and the eighth day of an illness. The employee must use accumulated leave time for the first forty (40) hours of the disability leave, regardless of whether the initial forty (40) hour leave period falls during a recognized holiday. Employees must complete the necessary Disability

Leave Medical Form and Application prior to going off on disability unless it is an emergency leave (such as an injury that may have been caused as a result of a car accident or other unforeseen event). If the disability leave is an emergency, employees must obtain the necessary forms and complete and return to the Controller's Office. Minimally the Controller's Office must be notified in writing within 3 business days of the date the disability leave begins. If written documentation is not received within 3 business days, the disability leave will begin the date the forms are received by the Controller's Office and will not be applied retroactively to the date of occurrence.

Coverage for eligible employees will begin on the first day of the month following 180 days of continuous employment. The County shall pay the entire premium cost for all such coverage.

An employee shall use accumulated sick leave, annual leave, personal leave, or compensatory time to make up the difference between the S & A rate of compensation and the employee's normal rate of pay.

Before returning to work, the employee must present a doctor's certificate that they can perform all the duties of the position to which they are returning.

The Employer shall continue to pay the cost of life, sickness, dental and Employer portion of the health insurance premiums for the length of the disability.

The employee shall continue to pay the cost of the employee portion of the health insurance premiums for the length of the disability.

(b) Limited Duty. At times, an employee who has suffered a disability is physically able and qualified to perform limited duties while recuperating from such disability. Based upon the Employer's judgment relative to need, availability, costs and physical limitation, such employee may be utilized for limited duty. The employee may be assigned to work any shift as determined by the Employer.

Employees being considered for limited duty must present either a physician's statement of physical ability to perform limited duty or medical examination report by the Employer's designated physician to the Employer and present proper medical certification.

When an employee is approved for normal duty by the appropriate physician he shall immediately notify the Employer and present proper medical certification.

Section 6. Life Insurance and Accidental Death and Dismemberment Coverage. The County provides life insurance coverage (\$30,000) and accidental death and dismemberment insurance coverage (\$30,000) for all regular full-time employees. Coverage for employees shall begin on the first day of the month following 30 days of employment. The County shall pay the entire premium costs for all such coverage. An employee may convert the County policy to a personal policy when they terminate their employment, if permitted by the insurance carrier.

Section 7. Life, Sickness, Dental and Health Insurance Premiums When on Unpaid Status. An employee on an unpaid sick leave of sixty (60) calendar days or more, or an employee on layoff of thirty (30) calendar days or more, or off work and entitled to Workers' Compensation for twenty-six (26) weeks or more, shall pay full cost of life, sickness, dental and health insurance premiums.

Section 8. Insurance Coverage Changes. If an employee wishes to make any change to their health insurance coverage such as an addition of a dependent, deletion of a dependent, etc. the Employer must be notified, in writing within three (3) weeks of the occurrence. If the notice of the addition of dependents is not made within the three (3) week period, the addition will not be able to be effective until the next open enrollment period, which is January 1 of every year.

Section 9. Specimen Insurance Contracts. Specimen insurance contracts including eligibility requirements and benefit schedules are available for inspection on request.

Section 10. Workers' Compensation.

(a) Guidelines. The County currently also provides Workers' Compensation coverage.

A work-related injury must be immediately reported to the employee's Supervisor and the Personnel Office so that the appropriate forms can be completed. Arrangements can then be made by the Personnel Office for the employee to receive medical care from a County designated physician.

If an injury occurs after 5:00 p.m. or on a weekend, emergency medical treatment may be received from other than a County designated physician. However, if the physician who treated an employee for an emergency indicates time off work or follow-up care is necessary, arrangements must be made to see the County physician. These arrangements will also be made by the Personnel Office for the employee.

After twenty-eight (28) days, or as otherwise required by law, from the inception of medical care, an employee may treat with a physician of his own choice, but he must first notify the Personnel Office of the name of the physician and his intentions to treat with such physician. The County after receiving such notice may file a Notice of Objection with the Bureau of Workers' Compensation if it so desires.

Failure to follow these procedures will result in the denial and refusal of payment of medical bills where treatment has been sought outside the proper guidelines. During the time an employee is off of work on Workers' Compensation, they shall have no employment that they did not have before the injury or illness which resulted in the claim for Workers' Compensation benefits.

Any initial time off and any extensions thereof due to a Workers' Compensation leave must be approved in writing by a physician.

(b) Supplement. When an employee is off work and entitled to Workers' Compensation payments the County will provide the difference in pay between an employee's regular pay and the Workers' Compensation benefit for a period not to exceed one (1) year.

(c) Limited Duty. At times, an employee who has suffered a work-related accident, injury, or illness is physically able and qualified to perform limited duties while recuperating from such accident, injury, or illness. Based upon the Department Head's judgment relative to need, availability, costs and physical limitations, such employee may be utilized for limited duty. Limited duty may also include part time work. The employee may be assigned to any shift, as determined by the Department Head.

Employees being considered for limited duty must present either a physician's statement of physical ability to perform limited duty or a medical examination report by the Employer's designated physician to the Department Head.

When an employee is approved for normal duty by the appropriate physician he shall immediately notify the Department Head and present proper medical certification.

Section 11. Pension.

(a) Continuation of the Municipal Employees' Retirement System (MERS). The Employer agrees to continue to apply the Municipal Employees' Retirement System (MERS) to employees in the bargaining unit represented by the Union for the duration of this agreement as set forth in the plan, the terms and conditions of which are binding on the parties as though fully set forth herein, with the same benefits as presently in effect.

(c) Benefit Program E-2 and 3.2% Multiplier. The plan for all unit employees shall include Benefit Program E-2. The employee computed contribution rate to support Benefit Program E-2 is 3.8% as evidenced by the valuation and letter dated April 18, 1994 from Gabriel, Roeder, Smith and Company.

The plan shall provide for no reduction in pension for those employees who retire and are less than 60, but at least 50 years of age with 25 years or more of credited service (Benefit Program F50/25). The employee computed contribution rate to support Benefit Program F50/25 is .9% as evidenced by the valuation and letter dated April 18, 1994 from Gabriel, Roeder, Smith and Company.

(e) Benefit Program FAC-3. The plan for all unit employees shall include a Benefit Program FAC-3, which provides for the final average compensation being computed on the highest thirty-six (36) consecutive months of earnings, divided by three (3).

(f) Effective on the first pay date of the month following April 17, 2019, the pension multiplier shall be bridged to 2.00%, with Final Average Compensation being calculated on the basis of the Frozen FAC method, maximum benefit of 80% of FAC at termination of

employment, base wages plus a maximum of 80 hours of overtime included in FAC (exclusive of up to a maximum of 104 hours per year of regularly scheduled overtime that results from the County exercising its option to utilize 12-hour shifts), and COLA frozen. Effective with the institution of this bridged pension multiplier, employee contributions toward pension to be reduced from 15.20% to 13.20%. Effective October 1, 2019, the employee contribution rate will decrease from 13.20% to 12.20%.

(f) No matter respecting the Pension Plan shall be subject to the Grievance Procedure of this Agreement.

A copy of the policy will be furnished to the Union Bargaining Committee upon request.

The Employer will provide to the employee such legal assistance as will be required when civil action is brought against an employee as a result of the acts occurring when and while said employee is acting within the scope of his authority; provided that notification is immediately given to the Employer that service of process was made upon the employee.

Section 14. Group Deferred Compensation Plan. The employees are eligible for a group deferred compensation plan provided by the Employer. There are three open enrollment periods each year, those being January, May and September.

Section 15. Optical Insurance. The County will cover the cost of maintaining the optical insurance plan in effect on April 17, 2019.

APPENDIX B

COUNTY OF EATON CENTRAL DISPATCH DEPARTMENT DRUG AND ALCOHOL TESTING POLICY

I. PURPOSE

The purpose of this policy is to provide all employees who work in the Eaton County Central Dispatch Department with notice of the provisions of the departmental drug and alcohol testing program.

II. POLICY

It is the policy of this department that the critical mission of this department justifies maintenance of a drug-free and alcohol-free work environment through the use of a reasonable employee drug testing program.

This profession has several uniquely compelling interests that justify the use of employee drug and alcohol testing. The public has a right to expect that those who work in this department are at all times both physically and mentally prepared to assume these duties. There is sufficient evidence to conclude that the use of controlled substances and alcohol, as well as other forms of drug abuse, will seriously impair an employee's physical and mental health, and thus, job performance.

Where those who work in this department participate in such activity, the integrity of the profession and public confidence in that integrity are destroyed. This confidence is further eroded by the potential for corruption created by such activity.

Therefore, in order to ensure the integrity of the department and to preserve public trust and confidence in a fit, drug-free, and alcohol-free workforce, this department will implement a drug and alcohol testing program.

III. DEFINITIONS

- A. Employee – Those who work in the Eaton County Central Dispatch Department.
- B. Supervisor – Those persons assigned to a position having day-to-day responsibility for supervising subordinates or who are responsible for commanding a work element.
- C. Drug Test – The compulsory or voluntary production and submission of urine, in accordance with departmental procedures by an employee for chemical analysis to detect prohibited drug usage.

- D. Alcohol Test – The compulsory or voluntary production of breath, in accordance with departmental procedures by an employee for analysis to detect whether that employee is under the influence of alcohol.
- E. Reasonable Suspicion – That quantity of proof or evidence that is more than a hunch, but less than probable cause. Reasonable suspicion must be based on specific, objective facts and any rationally derived inferences from those facts about the conduct of an employee. These facts or inferences would lead the reasonable person to suspect that the employee is or has been using drugs while on or off duty, and/or is under the influence of alcohol while on duty.
- F. Probationary Employee – For the purpose of this policy only, a probationary employee shall be considered to be any person who is conditionally employed with the department as a recently hired employee.
- G. MRO (Medical Review Officer) – The medical review officer is a physician knowledgeable in the medical use of prescription drugs and the pharmacology and toxicology of illicit drugs. The MRO will be a licensed physician with knowledge of substance abuse disorders. The MRO shall have appropriate medical training to interpret and evaluate an employee’s test results in conjunction with his or her medical history and any other relevant biomedical information.
- H. Last Chance Agreement – A standard letter of conditions for continued employment that is offered by the County of Eaton after it has been determined that an employee has violated this policy.

IV. PROCEDURES/RULES

- A. General Rules – The following rules shall apply to all employees while on and off duty:
 - 1. No employee shall illegally possess any control substance.
 - 2. No employee shall ingest any controlled substance or prescribed substance, except under the direction of a licensed medical practitioner.
 - 3. Employees shall notify their immediate supervisor when required to use prescription medicine that may influence their job performance. The employee shall submit one of the following:
 - a. Note from the prescribing doctor
 - b. Copy of the prescription
 - c. Show the prescription bottle with label to his immediate supervisor
 - 4. The employee shall advise the supervisor of the known side effects of such medication, as well as the prescribed period of use.

5. Supervisors shall document this information and retain the memorandum for at least ninety (90) days. A copy of the memo will be forwarded to the Controller's office.
6. No employee shall ingest any prescribed or over-the-counter medication in amounts beyond the recommended dosage.
7. Any employee who unintentionally ingests, or is made to ingest, a controlled substance shall immediately report the incident to his supervisor so that appropriate medical steps may be taken to ensure the employee's health and safety.
8. Any employee having a reasonable basis to believe that another employee is illegally using, or is in possession of, any controlled substance shall immediately report the facts and circumstances to his supervisor.
9. Discipline of employees for any violation of this policy shall be in accordance with the due process rights provided in the County's Rules and Regulations, policies and procedures, and the applicable collective bargaining agreement. The employee may be immediately relieved of duty pending a departmental investigation at the discretion of the County when one of the following occurs:
 - a. A refusal to participate;
 - b. The medical review officer determines that an employee's drug and/or alcohol test was positive;
 - c. Attempt to alter or substitute a urine or breath specimen

B. Applicant Testing

1. Applicants for employment shall be required to take a drug and alcohol test as a condition of employment during a pre-employment medical examination.
2. Applicants shall be disqualified from further consideration for employment under the following circumstances:
 - a. Refusal to submit to a required test(s), or
 - b. A confirmed positive drug and/or alcohol test indicating drug and/or alcohol use prohibited by this policy.

- C. Probationary Employee Testing – All probationary employees shall be required, as a condition of employment, to participate in any unannounced drug tests scheduled for the probationary period. The frequency and timing of such tests shall be determined by the County. Probationary employees may be tested prior to completion of the probationary period. A probationary employee shall not be eligible for coverage under the last chance rehabilitation provision set forth in this policy.

- D. Employee Testing – Employees will be required to take drug and/or alcohol tests as a condition of continued employment in order to ascertain prohibited drug use, or being under the influence of alcohol, as provided below:

The County may order an employee to take a drug and/or alcohol test upon reasonable suspicion that the employee is or has been using drugs or is under the influence of alcohol. A summary of the facts supporting the order shall be made available to the employee and the Union prior to the actual test.

- E. Penalty – Violation of any provision of this drug and alcohol testing policy shall be grounds for disciplinary action. Discipline shall be administered as set forth in the County’s Rules and Regulations, and may include discharge from employment. Any discipline remains subject to review in accordance with the collective bargaining agreement. The County may, in its discretion, offer the employee a Last Chance Agreement.
- F. Collection and Testing Procedures – Testing for drugs and/or alcohol under this policy shall be at the expense of the County of Eaton, and, to the extent practicable, shall be conducted in accordance with 49 CFR Part 40, as amended from time to time. No change in law regarding the possession or use of marijuana shall have any affect upon the application and enforcement of this policy, it being specifically understood that the use, possession (except as part of the discharge of an employee’s job duties), or being under the influence of marijuana shall be considered a violation of this policy notwithstanding any law permitting the use, possession, or being under the influence of marijuana.
- G. Substance Abuse Rehabilitation Program – Employees may voluntarily participate in a substance abuse rehabilitation program on their own or through the County-sponsored Employee Assistance Program; however, participation shall not prohibit drug and/or alcohol testing under this policy. An employee, who (while not under reasonable suspicion) voluntarily participates in such a program will be offered a Last Chance Agreement, unless the employee is being discharged for other actions and omissions that violate County Rules and Regulations. If such a Last Chance Agreement is accepted by the employee and the Union, the employee will not be disciplined for a violation of this policy, but may be disciplined for other actions and/or omissions that violate County Rules or Regulations.

SETTLEMENT

All provisions of the contract shall be effective upon signing or as soon as reasonably possible, unless otherwise stated.
